RULES

1. Each game will consist of four ends.
2. The teams will rotate positions each end.
3. Points will be awarded as follows:
 - 1 point for every point scored
 - 5 points for a win
4. Skip rocks, without sweeping, will determine winner if there is a tie.
5. If there is a win by forfeit, the winner will be awarded for that game the average of the scores of their other two games. Winners of a forfeit will not be awarded less than 6 points.
6. Team Captains, please report score after each game.
7. In the event of a tie in the final standings, the higher placement will be determined by retrogression (ie. team with best score in final game wins, if tied then best score in second last game, etc.).*
8. If teams are still tied after retrogression the higher placement will go to the team with the best actual PF/PA ratio.
